Mr Keene had offered to attend this meeting to be available for questions

1. To receive apologies for absence
Cllr A Mathieson – medical
Cllr J Smith - holiday
2. To discuss Planning Application 19/00461/FUL

Prior to the meeting Cllr Coats had provided a resume of events and concerns regarding activities at Over Farm, whilst accepting that they are trying to create a business which fulfils a local need. Discussion took place referring to a continually changing situation at Over Farm, buildings being erected where planning permission may be needed and the fact that the Parish Council is not kept informed.

With regard to the planning conditions provided for comment, a proposal by Cllr Welch, seconded by Cllr Tustin Smith was that Highnam Parish Council have no problem with the conditions provided by Over Farm to Tewkesbury Borough Council, but are concerned regarding latest events which pose questions that need answers; all were in favour.

In response to a question, Mr Keene provided details of a change to the Town and Country Planning Act 632, Para 7.1-7.6 which doubles the 28 days limit for occasional events to 56 days.
